Create an empathy map to understand your customer/user from four perspectives...

**PERSONA NAME: Aspiring Stock Trader (College Student / Beginner Investor)**

**SAYS:**

- "I want to learn stock trading but I'm afraid of losing money"
- "I wish there was a way to learn without losing money"

**THINKS:**

- "Is stock trading too risky for me to start?"
- "I should learn to trade before I lose money"

**DOES:**

- Watches YouTube videos and reads articles about stock trading
- Follows market news and trends

**FEELS:**

- Anxious about losing real money in the stock market
- Excited about the possibility of making money
